

**Directory  
of  
Forensic Experts**

*FLORIDA PUBLIC DEFENDER ASSOCIATION*

**JULY 2008**

## INTRODUCTION

This edition of the Directory of Forensic Experts is a collaboration between the Florida Public Defender Association (FPDA), the Sixth Circuit Public Defender, and the Tenth Circuit Public Defender. With the help of Marian Maloney and Chad Mizelle this edition has been updated with the most accurate information we could acquire.

We have placed each expert in the category which best describes his or her area of expertise; however, since there is a certain amount of cross-over among some of the areas, we suggest you examine all categories which may apply to your inquiry. When in doubt, contact the experts directly, ask them for additional information, resumes, or fee requirements. The presence of a person's name in the directory is not an endorsement by the FPDA or the Public Defenders.

Please take a minute to add an expert or to let us know if an expert has moved, changed phone numbers, or is no longer available. Send the expert's name, address, phone number, email address, and area of expertise to the address below. These changes will be incorporated in the next edition of the FPDA's *Directory of Forensic Experts*.
